

Wayne STEM Academy -- Opening August 2023

Before & After Registration Underway At Wayne STEM Academy

Wayne STEM Academy is pleased to announce that registration for our much-anticipated Before & After Program known as "The Hangar" is now underway.

Parents are encouraged to [click on the Registration Form at the Wayne STEM website to sign up their students](#) for activities before and after school. \$10 registration fees will be accepted at the Wayne STEM Academy Front Office beginning on August 14.

The Hangar will be the place on the Wayne STEM campus where we start and finish every day with fun, creative, and engaging opportunities for your child. It will be open 5-days per week when Wayne STEM is in session, with Before & After School activities.

U V W X Y Z

Doors open at 5:45/Teacher presentations begin at 6:15pm

8/23 - 2nd & 3rd Grade

8/24 = Kindergarten & 1st Grade

Meet your teacher and learn about our plans for the school year.

Wayne STEM families are encouraged to join us at our new school grounds on August 23 and 24 for our Open House activities. This is the ideal time to meet your student's teacher and learn more about classroom expectations as we plan for our first day of school. If you have student supplies or classroom sponsored items, you are encouraged to bring them along for drop off during open house.

Wayne STEM will welcome 2nd and 3rd Grade students on Wednesday August 23.

We'll welcome our Kindergarten and 1st Grade students on Thursday August 24.

Doors will open at 5:45pm. Our Teacher Introductions will begin at 6:15pm. Activities will take place until 7:15pm.

The Wayne STEM team is eager to meet our families and lay the groundwork for an outstanding year of school. See you then!

Bus Stop Locations Set For 2023-24 School Year

Wayne STEM is pleased to be able to offer transportation services for our students. At this stage all families that have requested transportation should have been contacted by **WSA Director of Transportation Emily Marrs**.

If you have not yet received an email please be sure to reach out to Ms. Marrs at Emily.marrs@waynestem.org. Updated bus stops have been finalized and we are now working on finalizing requests (pick-up, drop off, or both). If you have questions please don't hesitate to contact Ms. Marrs.

Enrollment Next Steps:

Request For Records

Wayne STEM SIS, Enrollment & Attendance Coordinator Sharon Bass is coordinating with our families to ensure that the enrollment process is going smoothly.

If you have yet to do so, please sign the document giving WSA permission to request records on your behalf. You can sign and submit the document via email to Sharon.bass@waynestem.org. For parents' convenience, we will also be on site at Generation Church (the smaller grey building) on Thursday Aug. 03 from 9:00am - 4:00pm for any parents that want to drop off the form in person.

School Supply Lists

School supply lists for students in each grade are now available on the Wayne STEM website. At WSA, we think a little differently about the school supply process, We specifically differentiate between what a student needs as a student supply list for school versus that of classroom sponsorship! We recognize that we serve a diverse population and will make sure that each student will have the supplies they need for success!

Learning Cottages Placement Is Well Underway

As a final note, we've also been excited to see steady progress as our new learning cottages are being placed and hooked up on our campus. With every passing day we see more progress as we move closer to our first day of school in late August. Here's a look at a few highlights from the past week.
