## Wayne STEM Open House Date Moves To Saturday, August 26

Wayne STEM Academy has announced that we will be [moving our scheduled Open House festivities from August 23 and 24 to Saturday, August 26](#). Our brief delay will help make sure that everything is ready to go for Open House and our first day of school on Monday, August 28.

Wayne STEM **Executive Director Dr. Todd Forgette** comments, "As we looked at our plans for this final week of preparation, we decided to opt for guaranteeing that we make a great first impression for all of our students and families. Taking these extra few days will ensure a great experience when we all gather this coming Saturday and again for our first day of school next Monday."

This is the ideal time to meet your student's teacher and learn more about classroom expectations as we plan for our first day of school. If you have student supplies or classroom sponsored items, you are encouraged to bring them along for drop off during open house.

**Wayne STEM will welcome our Kindergarten and 1st Grade Students between 10am and noon on Saturday, August 26.**

**We'll welcome our 2nd and 3rd Grade students from 1pm to 3pm on Saturday, August 26.**

The Wayne STEM team is eager to meet our families and lay the groundwork for an outstanding year of school. We apologize for any inconvenience caused by this change in plans. See you Saturday!

Open House has been rescheduled for this Saturday!

10am-noon - Kindergarten & 1st Grade

1pm-3pm - 2nd & 3rd Grade

Meet your teacher and learn about our plans for the school year.

## Important Information & Ordering Details For Our School Lunch Program

It's time to make plans and place your orders for our first few weeks of school lunches.

If you have yet to do so, begin the process by completing your student application at [MySchoolApps](#). If you are directed to "Find Your School District" after you've entered your state or zip code, select [Healthy School Food Collaborative NC](#).

Then [place your order by filling out the form](#).

As a reminder, lunch orders are placed in 2-week increments. **Orders for the first 2 weeks of school must be made by THIS WEDNESDAY at 4pm.** It is crucial that everyone fills out the order form, so that we have an accurate count of lunches.

For families that do not qualify for Free/Reduced Lunches, the cost for lunch is \$4.15. Breakfast cost is \$3.25.

Wayne STEM is pleased to be associated with the National School Lunch Program and Health School Foods to provide our students with access to nutritious meals.
